

My Revelation and Your Responsibility

Adi Da Samraj – Klik-Klak

I have told you
all
of this total process.
Ultimately,
you can
enter into the Domain
of practice
that is about
Realizing
That Which Is
Prior
to the illusions

of conditional existence.

I have shown you

not only

how this can be

transcended,

to be

Divinely Realized,

but I have also

pointed out

to you

that in all this

meantime,

That Which

Is

Always

Already the Case

Is

Always

Already the Case.

Notice

No matter what's arising,

you are basically

the Witness.

This is still

the Case,

even while

there is

involvement

in klik-klak.

That Which is

Always Already the Case

is still

Always Already

the Case.

The Truth

is Always

Already the Case.

Consciousness Always

Already

Is.

Why

aren't you

then

simply living

that?

(I'll tell you why)

You are enmeshed

in klik-klak-land.

and

There is a way

beyond it.

(But while you're)

in the midst of it,

you can't

just "go out the door".

(and get out while you're alive)

You have to Realize

What Is Beyond this

Klik-Klak

by a **process**

that is,

at the moment,

enacted

in the context

of what

was

your bondage.

your karma

You have to

process out

of your bondage,

You can't

just simply think

your way out of it,

or have a lecture

magically relieves you.

It requires a lifetime

of reorientation,

surrender,

Communion,

and Grace.

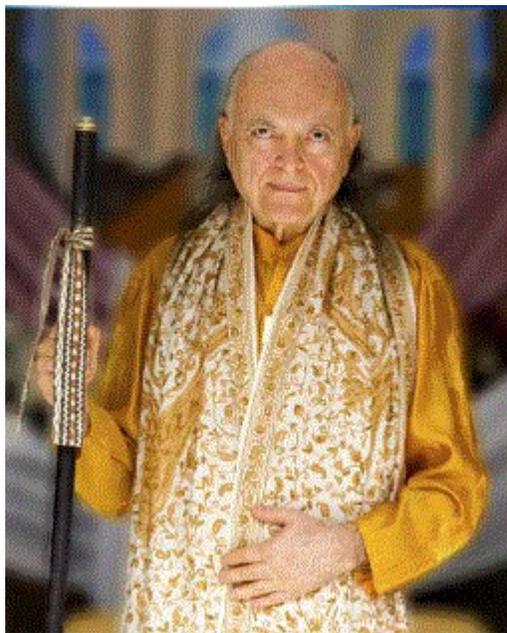

If you observe,

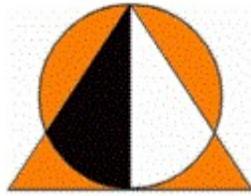

understand,

establish the disciplines

that "trick" klik-klak
that enable you
to maintain
the zone of transcendence
and Yoga
-then klik-klak
is used to your advantage,
so to speak.
But it's a constant art.

End of Adi Da's Klik-Klak

So

Don't forget

to

Remember

before

you think

before you reflect

before you try

There

is

Only

One

Breathing

Feeling

Being

of

Being

That

IS

ME

all the while

the revolving

door of life and death

churn, churn, churn

two's and three's

into tree's of me's and you's
